

## **FOUNTAIN FALL FESTIVAL BOOTH PARTICIPANTS**

**LABOR DAY, SEPTEMBER 5, 2016**

**\*\*\* The Health Dept. is scheduled for inspections from 8:00 – 10:00 am!**

Booth set up time starts at 8:00 am in Metcalfe Park. Your location in the park will be \_\_\_\_\_. The number listed on the booth number listing enclosed in the email/letter and as indicated on the enclosed map. Your booth number will be spray painted on the grass.

There is a sprinkler system in the park and the heads will be flagged and spray-painted. Please be careful.

Please try to have your booths set up by 10:00 am; the parade will end at approximately 11:00 am and people will be converging on the park after the parade. Park activities will run until approximately 4:00 pm.

After 9:45 am, most of the roads and streets leading into Fountain will be closed for the parade, which begins at 10:00 am, so please plan accordingly.

All food booths must have a trashcan available; there will be dumpsters in the park to empty your can(s). Please help us to keep the park **CLEAN**.

After your booth is set up, please move all unnecessary vehicles into a parking area. We need your assistance in keeping traffic congestion to a minimum in case an emergency vehicle needs to come into the park during the festivities.

Chamber of Commerce members will be in the park to assist you; their red vests will identify them.

**DO NOT DRIVE ON THE GRASS IN THE PARK!!!**

A successful event depends on everyone's patience and cooperation. We thank you very much for participating in the Fall Festival and hope it is a rewarding day for you.
