

FREE Benefit for Chamber Members...

“Business Spotlight”

The Fountain Valley Chamber of Commerce has an exciting opportunity for its members. Our location provides Chamber members with access to our Business to Business room. This room contains our member's business cards, brochures, freebies or other things to promote the Chamber's members and their business. These materials are used to help inform people about local businesses when relocation packages or information is requested through the Chamber Office. We are offering “*Business Spotlight*” which will allow the featured business of that week to set up a table in the Business to Business room. In addition, your business will be featured on our website with links to your website. The table set-up will be for your assigned week and your business will be featured in the Valley Views and the Chamber Chats the week prior. This will be an invitation for the community and other Chamber members to learn more about your business and what you offer through the Chamber office or website. Sign up today for this Fountain Valley Chamber of Commerce member benefit.

It's FREE, just sign up.
